

**Remarks**

Claims 19-26, 28, 43-46, and 48-54 are pending in the present application, claims 1, 2, 4, 7-16, 18, 27, 29, 36-39, 41, 42, 47 having been previously or herein canceled and claims 3, 5, 6, 17, 30-35, and 40 having been withdrawn. Claims 19-26, 28, 43-46, and 48-54 stand rejected as anticipated by or obvious over Harris et al. U.S. Patent No. 3,149,761. Claim 29 has been objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form. The subject matter of claim 29 has been incorporated into independent claims 19, 43, and 51 and, therefore, it is believed that all remaining claims are allowable.

Allowance of all of the pending claims is respectfully requested. The examiner is welcome to call the undersigned attorney to discuss the pending claims for the purpose of expediting this prosecution.

**Deposit Account Authorization**

The Commissioner is hereby authorized to charge any deficiency in any amount enclosed or any additional fees which may be required during the pendency of this application under 37 CFR 1.16 or 1.17, except issue fees, to Deposit Account No. 50-1903.

Respectfully submitted,

McCracken & Frank LLP  
311 S. Wacker, Suite 2500  
Chicago, Illinois 60606
